The Symbolism of the Kaleidoscope

Because Ebbies winners exhibit a unique ability to "view the ordinary and see the extraordinary," we present them with a kaleidoscope – which through its reflective lenses can transform the everyday into an infinite variety of new possibilities.

Awards are presented in seven categories:

Excellence in Business, Emerging Growth, Innovation through Technology, Small Business, Economic Development, Change Leader and Chamber Community Champion.

Position Your Company in the Company of Winners The 2011 Excellence in Business Awards–TheEbbies!–offers an unparalleled opportunity to position your company before a stellar galaxy of business and civic leaders – attendees have the means and interest to connect with your business and all you have to offer.

The Ebbies Gala is attended by 900 of San Francisco's top-level business leaders from large, mid-size and small businesses as well as government and non-profit organizations.
